## AWARD MESSAGE

Deepan has only joined the project for one month, however he has hit the ground running since his Day 1. He did whatever it took to ensure he was able to help the team progress on tasks (PowerPoint, excel, and Jira). Because majority of the team and the client is working in US ET hours, although not required, Deepan has worked very hard and put in long hours to clarify tasks and next steps. I commend his commitment and dedication to put in whatever it takes to get the job done. So thankful we have Deepan on the team! Never lose your passion! :)
